Hi, Rich.

Attached are MDEQ's comments on the press release that Joe mentioned. I took a look at them and agreed with the first suggestion, so I moved that paragraph in the final draft. I didn't agree with the other two suggested changes and left them as is.

If you disagree we can make some last minutes changes, but I don't think they are critical.

Thanks,
Cynthia

Mike,

I've embedded a couple of comments regarding the press release for your consideration.
